2. Think about what it will truly take to prosper during this time of Economic Upheaval!

Do You Honestly Believe That The “Band-Aid” Of Economic Stimulus Will Stop The BLOOD-LETTING Of Your American Dream?

Simply said: Many Experts agree that the economic stimulus package will not work! “It’s based on politics and proven-to-fail economic strategies!”

“It makes more sense to place your money in something that’s All-New but founded on Proven Marketing and Advertising Principles that puts money in Your pocket Automatically!”

Teacher Turned Entrepreneur Goes From \$40,000.00 Per Year To Over \$40,000.00 A Month! Finally, YOU CAN TOO!

Hello From Chris Hollinger “The Professor Of Profits”

After 10 years of teaching I decided to walk away from a profession I loved and was very good at. It was February 22, 2003. My decision was made easier by the fact that my wife and I had just 3 months earlier started a home-based business based on helping people all over the country better market and advertise their business. GoldMine Web Design and Marketing was launched! At the end of the Spring semester I resigned – And Our Income Exploded!

There were days when Kim and I would just look at each other and laugh!

Never in our wildest dreams did we ever imagine making the kind of money we quickly witnessed pouring into our account. It couldn't have come at a better time for us as we were struggling to make ends meet due to raising a family on a teachers salary and me just having gone through surgery for a rare form of Cancer, as well as extensive follow-up procedures to ensure all the nasty sarcoma was gone, forever! We were blessed and continue to be so with health and wealth.

Our business has grown and kept us living a fantastic life for 6 straight years. Don't misunderstand. Like life, there have been ups and downs, good times and bad along with obstacles overcome. Through it all we have maintained one simple principle: “Always link our success to our customer's success.”

What You're About To See Was Born Of This Philosophy! - In the Summer and early Fall of 2008 I consistently saw my sales numbers drop! It would have been easy for me to blame it on the high gas prices, foreclosures and the plummeting economy, but I didn't! I began interviewing people all over the country that had responded to ads I was running.

All total, I personally interviewed 127 home based business prospects from every region of the country.

Also during this time I was researching every quality opportunity run by the best marketers in the world today. Once I was loaded with plenty information, I went to work! What you're about to see is founded on current market research and proven marketing principles! But first...

You Have Know What Happened During These 127 Interviews

“Except for the birth of my girls, I have never been more overcome with emotion... Ever!” But it led to something great...

Always Give Your Customers What They Want!

That was the advice given to me as I was presenting at a marketing workshop last year. One of my fellow presenters announced this golden nugget of information to the entire group and I wrote it down. It's what prompted me to begin calling people all over the country that had essentially said “NO” to me by not responding to my offer and follow-ups.

With the first call I was shocked and amazed!

Here's what I wanted to know:

1. What they wanted in a quality home-based opportunity
2. What they wanted to spend
3. What they realistically expected to make
4. How much time they had to commit to their own success

Here's what happened!

These total strangers completely opened up to me and shared their...

Hopes, Dreams, Wants, Needs and True Raw Emotions

I absorbed it all, I took it all in and was moved by the gravity of their pain and frustration so much that I had trouble sleeping at night and would just go back to work with a laser-like focus on creating something that would help them all thrive.

Their sincerity and depth of their pain was at times over-whelming, all-consuming and 100% real! Over and over again they would tell me...

"I can't believe anyone like you would call and ask these kinds of questions! Thank you so much for listening to my problems, I feel better just talking about it and just saying these things aloud."

I would end every call by asking them to take a look at the new wealth generating program that I was going to create based on the exact information that they and others around the country shared with me.

As you would guess they of course said they would. **They HAVE! And They Liked What They Saw!** Here's what one Founder had to say...

"\$13,920.00 Per Month In Less Than 6 Months Is A Realistic Projection For My Founding Members" Believe It!

PLUS... **A Guaranteed Founders Bonus!**

**This Is Reserved Cash That Goes Directly To You!
Every Month!** (If you join as a Founding Member today)

Introducing: The Direct Response Cash Delivery And Auto-Pilot Marketing System

(Let's use the shorter version from now on, let's call it The DR CASH Program)

The Why: From the beginning everything was created with the input of my customers, a guiding force that continues to inspire this opportunity.

As soon as 10 people purchased this program I was on the phone with them asking what they wanted to make it even better! We had a conference call and discussed everything about this program. They all went crazy over a monthly matrix commission built into my original Dr. CASH Program.

After the call I was listening to music and reflecting on what they had shared with me and then I had a...

Million Dollar Idea!

I Would Create An Amazingly Rich Matrix Compensation Plan And Then Fill It Up At The Top With People All Over The Country That Have Never Had An Opportunity To Be On Top!

Then I had another fantastic idea: Not only would I give my customers "first dibs" but I'd also create a pay plan exclusively for my Founding Members!

The Founder's Level Bonus Was Born Because I Listened To The People!

Here's How: I have reserved an entire block of the compensation plan to be shared by my Founding members. Every one of my Founders will automatically receive an equal share of all the money produced by this level, Every Single Month! **GUARANTEED!**

This Is 100% Guaranteed Money Coming Straight To YOU!

Now Let's Unlock The Secret Powers Driving This Proven Wealth Generator

but first...

Here's another exciting testimonial...

"Thanks for introducing me to The Direct Response Cash Delivery and Auto-Pilot Marketing System. This program is AWESOME! I made \$600.00 in my first two weeks in the program. This is truly a business opportunity that everyone can be hugely successful at."
Glenn Beverly Lewisville, TX

There Will Be A Fortune Spent To Build A GIANT Downline Under You!

Read on... As you'll see: This could potentially make you huge sums of money without lifting a finger!

This is other people's time and advertising dollars building both sides of the dual compensation plan for you automatically! Incredible, I know! But...

The above headline is amazing – and true!

I'm getting ready to spend a small fortune to introduce as many people as possible to the revolutionary Dr. CASH opportunity...

And if you get in now, I'll start signing these people up under you in your downline! Plus, everyone that joins below could potentially be building your monthly residual income automatically

How many people will sign up under you?

Nobody knows – but our plan is to sign up tens of thousands of Dr. CASH Affiliates in the next 18 months alone – and if that happens – and all goes as planned...

You will have the power to get paid many thousands of dollars a month for doing absolutely nothing!

Wait a minute did I just say that you could get paid thousands of dollars a month for doing nothing? Yes, I did! You see...

Thanks to the Dr. CASH brilliant 5 x 5 forced matrix compensation plan – I am FORCED to put huge numbers of people in your downline!

I have no choice! And everyone that joins below you has no choice but to place their people below you!

This Includes Some Of The Biggest Marketers
On The Planet!

Here's why you must believe me: Read carefully and see if you don't agree!

#1: I firmly believe that my Dr. CASH opportunity is the greatest wealth making opportunity in history!

I believe that this little-known opportunity will spread like a raging wildfire and make many people millionaires! This is only my prediction – but it's based on solid facts.

#2: My company is a marketing machine. I'm the full time marketing guy that lives and breaths my craft!...

When it comes to direct marketing, innovative online advertising, even radio and TV! (selling is what I do)

Plus, I'm building a sales team to help me close sales for you Automatically!

#3: We plan to spend millions of dollars to promote the Dr. CASH opportunity! Remember every single person that joins advertises as part of their original application. This will continue even after the Founders Position is no longer available.

We will use all of the time, talent, and skills that we have developed in the last 6 years to share this opportunity with millions of people and do everything we can to quickly sign up tens of thousands of people!

#4: From the beginning, I created this opportunity to be very attractive to every opportunity seeker, but especially the BIGGEST Marketers- We have exactly what they like. Big up-front commissions and huge monthly residuals! I personally know that they are always looking for a cash infusion into their business and this is it!

And the most important thing....

Because of The Dr. CASH Forced Matrix Compensation Plan – I am absolutely forced to place all of these tens of thousands of new Affiliates under the lucky people who get a Founders position in right now!

You are invited to be one of these lucky few!

There are no guarantees or promises that you will make millions of dollars or any specific amount of money, other than the Founders Level Bonus – but our plan is to make tens of millions of dollars with this revolutionary opportunity for YOU and our other founders! But make no mistake, if you make money we make also. We tie our success to your success, as we always have.

And if we achieve this goal and sign up tens of thousands of affiliates as I firmly believe we can – then you will be in the powerful and privileged position to sit back and get paid thousands of dollars for doing absolutely nothing!

This sounds too good to be true – but when you STOP and consider everything – you'll see that all this is the God's honest truth!

If I reach my goal – you will be in the powerful position to get paid thousands of dollars for doing absolutely nothing!

Oh, but wait a minute. There is one thing you will have done to make thousands of dollars a month: You will have had the courage to take action now!

Please listen closely. If all goes as planned and my company ends up making tens of millions of dollars on this incredible Dr. CASH opportunity – then those who were lucky and courageous enough to get in now – From The Beginning – will get super rich!

You are now in the powerful position to be one of these lucky few who get in now! The more you know about this amazing opportunity the more you will see that is a once-in-a-lifetime chance for you to have huge sums of money flowing to you every month – for life!

The money you can make will become monthly residual income that can become an important part of your estate... You can pass it along to those you love the most or to your favorite charities... Listen to this...

Blood-Letting Of YOUR American Dream!

On December 3rd, 2008 my wife Kim gave birth to our second baby girl! There were times during the pregnancy that I was filled with all the normal uncertainties associated with being a father. Everything was compounded by high gas prices and the chaos of the world today! Even though I was in the middle of creating this new program that was already putting money in people's pockets that had never made anything before now, I was nervous and frightened to be bringing a new life into this world! But then I remembered a lecture I used to give my U.S. Government students.

It's easy to be frightened today! But...Despite the dark clouds on the horizon, I urge you to look forward to a much wealthier future. Every American generation has had to face their unique national and personal challenges. Our history has been enriched by what I feel is one of our most endearing traits...

Our optimism for the future and our belief that we can change it for the better!

Are your dreams still worth striving for... Or have they abandoned you along with our economy, plummeting home values and gas through your tank? It's easy to castaway your true ambitions when faced with dark clouds on the horizon and your daily battle to make ends meet for your family...for you...Your retirement! It's all so overwhelming yet unnecessary.

The DR. Cash System gives you the opportunity to...

KICK INFLATION'S BUTT TO THE CURB! Then Down the STREET! AND out of your life forever!

More importantly however, we are offering you the chance to realize what I feel is our most endearing national trait.
